

provide 10% subsidy on capital investment, excluding land cost, provided matching grant is available from the state Govt.

Ultimately there must be attitudinal change in the management towards the management of bio-medical wastes. Doctors and Paramedical staff of the health care facilities must show commitment and missionary zeal in tackling the myriad challenges posed in the management of waste handling treatment and disposal in a manner benign to the environment.

S.N.Rao, Member-Secretary, & Dr. Naveen Kumar, ASO, Bihar State Pollution Control Board, Patna

An ISO 9001:2000 Certified Laboratory

Pathologists : Dr. Sushanto Mukherjee, Dr. Sujata Mukherjee

An advanced Patho Lab for :

Hormone Assay, Infectious Disease Detection, Anaemia Profile, Cancer Markers, Critical Care Services, Special Tuberculosis Panel, Infertility Profile, Fungal Diseases, Renal Diseases, Immunisations, Biochemistry, Clinical Chemistry & Clinical Toxicology, Coagulation, CLIA, Electrophoresis, Elisa, Haematology & Microbiology, Molecular Biology, Nephelometry, Western Blot AND Allergy Profile Test.

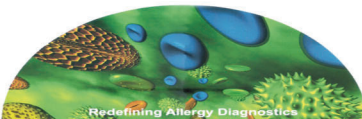

Is This Allergy ???

Introducing
Redefined Allergy Diagnostics

- Single Test Capability
- Multi Allergen Panel Based Screening
- No Initial Sample Load Required
- Same Day Reporting
- Automated Report Generation
- Highly Specific
- Quantitative Analysis
- In Built Internal Q.C. For Every Test

- ➔ **Respiratory Allergens**
- ➔ **Food Allergens**
- ➔ **Paediatric Allergens**

AllergyScreen

Individual IgE Specific Multi Allergen Panel Screening
